NUMBER ELEVEN, THE BEST EVER

3

On September 27, 1982 the Cerritos High quad was once again filled with squirrley students rushing around trying to get their annuals filled with their friends signatures. Many rocked out to the beat of the band "Fly By Night," while others merely chatted with their friends. All in all, tha annual signing party was a huge success as it always is.

With the lyrics of "Truly" floating through the air, we opened the Christmas Dance. It all started on the night of December 20, 1982, at the Anaheim Convention Center. There were hors d'oeuvres served along with a Coke bar. The wonderful music was provided by "Fly by Night."

The Sadie Hawkins dance every year is long awaited for annual western dance. The girls search for that special guy to ask, then both decide on a matching outfit. However the past few years have been floating away from the original intention of a western atmosphere. Many have dressed in shirts like Izod's and Oxfords instead of the traditional plaid print flannel shirts and levi's. All in all the turn out was great and everyone had a good time rockin' to the music of "MYSTERY."

In the play "GUYS AND DOLLS" the plot revolves around a group of gamblers and their girls — and the trouble which follows when a guy finds it hard to choose between the pounding of his heart and the rolling of the dice. There are two love stories. The first involves Nathan Detroit, a small but hot-shot gambler, and Miss Adelaide, a night club cutie, who have been engaged for fourteen years and whose nuptials have been continually postponed because of a series of floating crap games. The other romance concerns Sky Master-son, a big time, free-living, free-loving plunger, and Sarah Brown, a Salvation Army lass and head of the run-down Save-a-Soul Mission.

COURAGE TO LEAD

GRADUATION MEMORIES . . .

The hopes and dreams of yesterday have now become reality. We found our destination amongst the stars above. The shining success radiates a happiness on all that lives. The inspiration will allow room to strive harder to reach the pot of gold. That goal stays in our minds as a reminder of the warmth of security. May we all find what is ours to be and within, find inner peace and harmony. Tomorrow is another day and another step towards the end. Though we've ended one road we have yet to follow many more. The roads may twist and turn and sometimes break away but decisions must be made. Through all, we mature and grow. We must enjoy, however, our lives. They endure us only for a short length of time. 1983 was a year of fulfilled hopes. Now our maturity has grown as we leave our childhood memories behind and look ahead to bright future full of success and happiness! With all hellos come always goodbyes. Goodbye Cerritos High School! We give to you all our love . . .

VARSITY DONS GAIN YARDAGE AND A DISTRICT CHAMPIONSHIP

This year's Varsity Football team finished 6-4 overall and 3-3 in league play. It was a very much improved team from last year's 0-10 record. Coach Manzo stated that they dedicated themselves to hard work and that it was that dedication and good attitudes that made the much improved team successful. There were many special standouts this year, such as: Sidney Johnson, the team's most valuable player, Jimmy Osbournes nine touchdown season, and Reggie Nettles. Coach Manzo and all of Cerritos High are looking forward to next year's season and hopefully another district championship.

The J.V. football team had an even 5 wins and 5 losses. Prochnow had a 98 yard touchdown that broke a record at the Grossmont game. Their defense was exceptional. David Vaughn also did a terrific job at the Grossmont game, making 2 touchdowns. At the Artesia game the offense showed their best effort. Marcello Balboa caught everyone's eye, making 3 interceptions at the Warren Game. They had a good year with a 2-4 record in league. Hanging in there was one of their rules to live by and support from the cheerleaders and fans didn't hurt any either!

100% Red, Black and Gold is the perfect way to describe the freshman football team. These players gave their 100% for a 10-0 season, making them the first in the history of Cerritos High teams to go undefeated. Strong players were: Geoff Springer, Scott Mulhearn, and Greg Pilioglas. Hopefully with the ability of this team the next 3 years for them should be exceptionally Red, Black, and Gold.

VARSITY WRESTLERS PLACE

The Season for the Varsity Wrestling Team could've been a better one. Had it not been for the spectacular demonstration of eight grapplers, the team would have been well forgotten. Going into league with a full team and hoping for at least three to place, the wrestlers executed their individual strength and had eight place with two alternates. These eight were David Angulo, and Ernie Christie taking first; Stacey Sotelo taking second; Jon Enomoto, Richie Tanaka, Joe Mash, Mike Lindmier, and Joe Selsor taking third; Dave Nowell, and Kevin Livingston taking alternate positions for third place.

As for the picture of the Don Force of Four, the beret represented a special breed of wrestler. The team could count on a pin from any of these four men. All placed in league and were C.I.F. contenders. Thanks Joe, Jon, Stacey, and Dave.

"Var. X-Country Strides for Championship," definitely true. Our Varsity X-Country team sure is something to be proud of. Finishing the season with a league record of 5-1 and overall record of 8-1, Lea MacFarlane, our M.V.P., also the consecutive league champ in which she has been undefeated for 2 yrs., and Trudy Palmer, our most improved player made the all-league team. Also Trayce Lozano was awarded most inspirational player. The coach, Mr. Flores should get a special award for training these girls to become what they are "champions." Overall the team showed tremendous speed and effort, and showed that together they can be #1.

J.V. SOCCER SHOT FOR THEIR GOAL

This year the J.V. Soccer Team worked hard to keep up with their competition and they did excellent. The J.V. Soccer Team played many games. They might not have won every game, but they gave it their all. They should be noted for their good sportsmanship. Congratulations J.V. Soccer Team for a good year.

Enrique Andrade
M.V.P.

In one word, our Varsity Soccer Team was AWESOME! This year the Dons had many new faces on the team, including three freshman and a senior from Washington. Under the direction of Coach Flores, for the first time in CHS history our team became SGVL Champions. The Dons were knocked out of the first round play-offs by being defeated by John Muir 3-5. Four members of the team were selected for the All-League first team; Frank "J.R." Anderson and Claudio Balboa — Defense; Marcello Balboa — Offense. The Most Valuable Player for the SGVL was Enrique Andrade. Enrique was also selected for the ALL-CIF 4-A Division Team.

A BITTERSWEET SEASON

"A bittersweet season for the Lady Dons," says Coach Johnson. Our Lady Dons finished their season in 4th place, with an overall record of 14-9, and record 6-6. Carol Brandt, our M.V.P., scored the most points in a game, 38 pts., a Cerritos record. Their most outstanding game was against Gahr in which it was the first time Cerritos girls beat Gahr. The Lady Dons didn't make it to the playoffs but played very well and hope to return next year, taking a place in the playoffs.

CERRITOS TWO . . . ALRIGHT!

"That's the way the ball bounces" was the theme for the J.V. Girls' season. The girls finished 4th in league with a league record of 4-6 and an overall record of 9-9. With the majority of the team being freshman and plus, the injury of returning player Michelle Gutierrez, Coach Sims had a lot of work ahead of her. But, the girls did pretty well for being rookies. 83-84 should be a more experienced team.

82-83 J.V. SETS RECORD

This year's J.V. team were special. At least their last game, Cerritos vs. Warren was. In the 1st quarter, Cerritos was beating Warren 42-0. The final score was 102-53. David Hunt, Cedric Carney, and Tony Roland got special recognition for a well played game. The team finished the season with a league record of 7-5, overall record of 11-9, and a league standing of 3rd place. Nevertheless the team did play well and should give "special" thanks to Mr. Chapel.

SPIRITED AND ATHLETIC

After a slow start in pre-season play the sophomores began league play with wins over Gahr and Downey. A 2 point loss to Lynwood was followed by a loss at Dominguez. The season highlight was a come from behind victory at Warren. After trailing by 14 in the 3rd quarter, Cerritos outscored Warren, 13-3 in the 4th quarter and won by one 40-39. The Dons finished the season with a overall record of 8-11 and league record of 5-5 and taking a place of 4th.

The 1982 Frosh Basketball team under the excellent coaching of Joe Mendoza and Geroge Yezback had a successful and enjoyable season. They had an overall record of 13-6 and a 8-4 league record. In the first round of league the Baby Dons lost to Gahr and Lynwood by one and two point margins. Coach Mendoza said, "They lacked the confidence and experience to win close games." The turning point came with a 49-47 overtime win over Lynwood, in the second round of league

play. At that point in time, Coach Mendoza realized the tremendous improvement the team had made. The team consisted of fine and dedicated, young men and Coach Mendoza stated that they would all be winners at the Varsity level.

A SLOW BEGINNING, PICKED UP

The Don's Varsity Basketball team had a very successful year. Not only did they win their first Sam Gabriel Valley league Championship (11-1), but they returned to the C.I.F. playoffs for their first time in four years.

Our M.V.P. and the scoring record holder was held by Joe Yezbak. The Don's played in three tournaments. The first was our own Cerritos-Gahr tournament, at which the Don's lost to Valley Christian 53-51. Then they traveled to Chino, but also had the same results. The Dons lost the championship game to Bonita 53-52. After these minor disappointments, the Don's managed a consolation Championship up at Cabrillo winning Lompoc 76-45.

Our well deserving M.V.P. Joe Yezbak made All Tournament at all three of these . . . We're proud to have such a dedicated player on our team!

OKAY GUYS . . . LETS

The 1982-83 Varsity Baseball Team proved to be exceptional again. Being the third year in CIF Playoff action, the Dons proved to be the strong ones. Through the help of Cass Selden, Jeff Kolodziej, Rob Jones, and Tony Mendoza, the Dons pitching force was nothing short of power. In the outfield Jim Osborn, John Vanderlinden, Jeff Kolodziej, and Brian Dunn showed their fielding managibility in catching most of the balls hit to them. Wayne Walker, Gary Sloan, Wade Caron and Tony Mendoza made up the powerful infield and worked exceptionally well. And also don't forget Steve Hunt, who saved those balls from getting to the backstop by playing catcher. The team record was 18-9 but, as for the high school record they will always be #1.

Some very important records were broken or tied during the 1982-83 Varsity Baseball Season. Among those were Jeff Kolodziej's, Rob Jones, and Steve Hunt's.

Jeff Kolodziej tied the batting record by going 5 for 5 which would have been 6 for 6 had not a super catch been made by the opposing team. (See Jeff, I remembered. Susan.)

Rob Jones broke the pitching record for most innings pitched. He pitched 89 all together during the season.

Steve Hunt broke three records all together. He broke the records for most RBI's, hits and runs.

Lets hope these records don't go forgotten.

1. "I can't see anything", screams Wade Caron. 2. Steve Hunt watching the baseball go by. (As usual). 3. "Throw me the ball quick" yells Wayne Walker. 4. Rob Jones biting his lip, hoping for a strike. 5. Cass Selden showing Wayne Walker a new type of dance. 6. Wayne Walker, checking his swing. 7. Cass Selden in the wind up. 8. The Creative Writing Club did a lot of work this year. They published their second magazine The Yellow Book. All in all they had a great year with the help of their advisors Mrs. Delo, Mr. Brown and Mr. Teague.

MAHARLICA

Maharlica started out quite smoothly at the beginning of the year. The club held its first "Welcome New Members to Maharlica" Party. There all incoming members got a chance to meet each other. Then on Christmas, the club went Christmas caroling to the members' families for enjoyment to the club and also to raise money, which they have been doing for the past years. Another event that is held yearly is Culture Night. The members entertained other students, friends, and family. The entertainment consisted of the Philippine culture and style. To top off the school year, a beach party was thrown. It was put together by President Edwin Comanag and Advisor Ms. Pendleton for the members who strived really hard and put tremendous effort to make their club number one.

Math Club also participated in the volleyball tourney during Spirit Week. Math Club definitely has the equation . . . S-P-I-R-I-T.

The brightest star seemed to be competing in the 1983 Hawaii Invitational Competition. "AWESOME"

This word sums up the year for the Pride of Cerritos High School. 1983 was a year filled with competitions, half-times, concerts, and guest performances. Being Awesome means a lot of hard work, including long hours of intense practice sessions and endless fundraisers.

Being part of band not only means individual perfection as in the case of drum majorette Christine McDougall and trumpet soloist John Vitte, but perfection as a WHOLE. Under the direction of Terry Kessinger, the band gathered many first place and Sweepstakes awards along with the honor of being participants in the 1983 Hawaiian Invitational Competition in which they placed 1st in the field show division, 2nd in both parade and concert division.

The Pride of Cerritos High School can certainly be considered . . . "AWESOME."

The students at C.H.S. generally accept the A.S.B. Cabinet as just another club on campus but the reverse is true. The A.S.B. Cabinet is made up of a group of students who are qualified in the field of student leadership. In actuality the cabinet runs almost 100% of the schools activities.

The A.S.B. President, Doug Stout, is head of this group and inturn, the active leader of the campus. His job entales much more than any student could imagine. Mr. Stout represents the school in almost every activity that takes place on campus and also represents the campus in the community and its happenings. Mr. Stout is aided through the assistance of the executive board, which is made up of the A.S.B. Vice-President, Jim Peterson, the A.S.B. Secretary, Cydney Osano, and the A.S.B. Treasurer Parul Kapadia.

The A.S.B. Cabinet is also made up of two students from the freshman, sophomore, junior, and senior classes, who are the president and representative for that particular class. The cabinet also holds positions for commissioners of activities, alumni, athletics, clubs, elections, publicity, public relations, and spirit.

The A.S.B. Cabinet sponsored popular activities such as dances D.J.ed by KROQ's Richard Blade and KNAC's Sylvia Aimerito the "Bad Boys" with lead singer John Stamos. The cabinet also provided great entertainment for the campus with the mime artistry of Cari Trivonovich. Campbell Productions "Stampede," and "Loveland Days." The annual events that went over great were Spirit Week, Homecoming, and Almost Anything Went.

For this group of leaders that the campus thought to be inexperienced, well ... "this group of leaders proved their experience."

CHOIR

The Cerritos High Choir had an exceptional 1982-83 season. Performing for the P.T.A. and in malls around the city, they showed the spirit of C.H.S. Their Christmas and Spring concerts were well orchestrated and brilliantly arranged under the direction of Mr. D. Bradford. The Choir had one of their best seasons ever!

ICHIBAN

The Ichiban Club made its year the greatest by showing themselves they're the best. A fortune cookie sale and a scholarship fund was set up for the praiseworthy seniors. For the end of the year trip, they decided to spend time at the beach. The kiss-o-gram sales that was held, will make them have a fun party to top off the year.

Picture Perfect

This Years Annual Staff worked extremely hard meeting dead lines (although sometimes they where a little bit late), finding someone to type your copy and captions, cropping and taking pictures, working on layouts while having those little talks that never left the room (Oh if they would of . . .), and who can forget those trips to Fosters and or McDonalds.

All in all the year went along really smoothly with the help of the Editor-in-Chief Deona Hall and the supervision of Mr. A. This years Annual Staff tried there best to make the 1982-83 Annual the best ever.

HAN-MI

Many national clubs are formed on campus and one that was formed just last year was the Korean club, Han-Mi. To begin the new school year, the club held its "Welcome Freshmen party" to bring in the new members. Many fund-raisers were held by the club. For example, the car wash, Christmas caroling, See's candy sales, and the bike-a-thon.

Like many other clubs, Han-Mi had a culture night. Clothes, food, and music were all exhibited by the members. The club also found time to ski, ice-skate, and to go to various trips to Magic Mountain. All this fun was provided by Advisor Mr. Howard Kwon to make this year the best.

INTERNATIONAL CLUB

With the assistance of Ms. Stein, Ms. Telles, and the members, prosperity was gained by the International Club. To start off the Year, a bike-a-thon was held. There, members had a chance to compete, raise money, and do it just for the fun.

Other than fund-raisers, the club had two major parties: the annual International potluck and the picnic held at El Dorado Park. At the potluck different dishes were served and members had a chance to taste worldly cuisine. Baseball, food, and relaxation were enjoyed at the picnic.

One of International's achievements this year was hosting foreign exchange student, Marion Schreinmachers. Marion is from Luxemburg, a small country located between Germany, France, and Belgium.

To end the year, entertainment was in hand. The club had a chance to see a musical play. "Grease" was their choice. It was worth it . . .

Reflecting back on 1983 one thinks of new traditions. One is the new Orchesis Club on campus. In it's first year, under the direction of Ms. Grasso, the Dance Club consists of girls who dance, who are learning to dance, or perhaps wish to dance. Along with the club was the dance team. The dance team auditioned for a position and met after school to learn and perfect various choreographed routines. This year was only a first for the new club on campus. Orchesis paved the way for future years.

1. the 1982-83 C.H.S. "INFORMER" staff. 2. The "INFORMER" staff's four editors and business manager. 3. The C.H.S. "INFORMER" editor, Laurie Watanabe.

In its 11th year, the Cerritos High INFORMER continued to publish more than twice a month throughout the school year. With help from the ROP graphics division at Tracy H.S. and on the C.H.S. campus, the INFORMER retained the high quality for which it was known.

Advisor Mr. Armstrong and editor-in-chief Laurie Watanabe supervised the staff that was headed by four female editors; Cheryl Kumada, front page editor; Cathy Kim, editorial page editor; Michelle Marshall, feature page editor; and Kathy Okamura, sports page editor. Despite a largely inexperienced staff, the newspaper class did an over-all excellent job in reporting the news of the school and community with increased emphasis in national issues and C.H.S.! hard-working but unappreciated students and faculty.

"HEY LET'S HEAR IT, WE'VE GOT SPIRIT!"

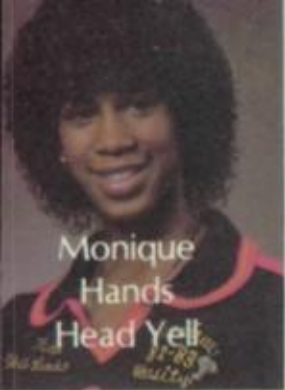

Hey let's here it, WE'VE GOT SPIRIT! could have been one of the many cheers you heard at the rallies or games by this years Pepsters. The girls worked hard all year by making plans for games, preparing rallies, making plans for kidnappings, delivering, bake sales, practicing for competitions, and still finding time to do their homework. Their efforts did not go unrewarded, of course. During Basketball season, the team gave all of Pep Squad roses. As it has become a tradition here at Cerritos. A big part of the girls year are the competitions. The Varsity Song did very well by receiving a 4th and 3rd, as well as Varsity Yell receiving a 4th. Junior Varsity Yell did extremely well by receiving two 1sts (One of which was at the Hibbards State Championship) and two 3rds. With this all completed the Pepsters had a Fun-filled and successful year.

VARSITY CLUB

"The Tough Guys"

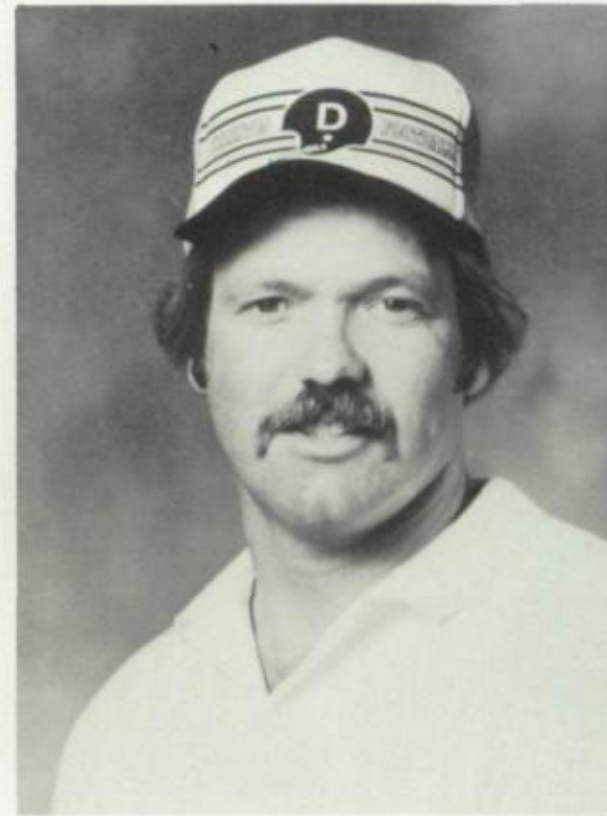

Club President,
David Nowell

New clubs start with new ideas and this year was no exception for the first year of the Cerritos High School Varsity Club. This club had its beginnings when David Nowell, Commissioner of Athletics and Coach Vincent submitted an application on Club Day.

The Varsity Club has certain requirements that must be met upon becoming a member. They include lettering in a Varsity sport, and attaining a certain G.P.A.

Since Coach Vincent left Cerritos High School for another coaching job, the job of advisor was resumed by Coach Weeks. Together with their advisor, the Varsity Club President David Nowell, and the executive board, they were involved in various activities such as candy sales, concert bouncers, and the Sadie Hawkins Dance.

This year was full of experimenting and new traditions for the Varsity Club. If this is any indication of what is to follow, the Varsity Club is sure to be one of the prestigious clubs on campus.

Club Advisor,
Mr. Weeks

SPEECH & DEBATE

MEMBERS OF THE 1982-83 SPEECH AND DEBATE TEAM

Advisor, Mrs. Gordon

Speech and Debate Executive Board: President, Randy Oudega; Secretary, Cathy Roberts; Vice President, Laurie Watanabe.

This year Speech and Debate had a year filled with competitions various other activities that kept them busy throughout the year. It involved a lot of meetings, during school time, and after school hours. It involved traveling to competitions and doing well at them. Speech and Debate involved a lot of practice hours and hours spent writing and perfecting various speeches.

All this would not be possible without the help and guidance of their advisor Mrs. Gordon.

Classes 1983

1986

The class of 86 began their first year at Cerritos High with excellent spirit and pride. They thought High School was fun and games, but what they didn't know there is work to be done. They have been a very spirited class, they have been very enthusiastic in class competition, basketball, football, and many various activities year round. They have had a successful flower sale, they have sold soft drinks at games and sold candy filled dishes. With the guidance of Mrs. Horrisk, the class of 86 will surely shine at Cerritos.

The Sophomore Class set out to do a difficult task. To go from \$7.00 in their account to \$1200.00. They did succeed however by selling M&M's, Sees' Suckers, Reeses Pieces and peanut butter cups. They were involved in Spirit Week and through the help of their cabinet Jackie Gil, Kim Duran, Matt Betmalack, Michelle Ray, & Jill Johnson they supported their own class.

Faculty 1983

Mr. Stan Steddom was the 82-83 principal of Cerritos High School. His job was filled with many fun filled events. Some of which were going to Football games, staff meetings, and helping students in general. We hope he has many more years to come with us at Cerritos High School.

The advisors of CHS were a strong force this year. Putting up with fights, complaints, teachers, and parents. Though they never put up with students (HA, HA) they eventually got to see and know each one of us. Whether for detentions, grades, or class changes they tried their best to help. The students of CHS would like to wish them the best of luck in the years to come.

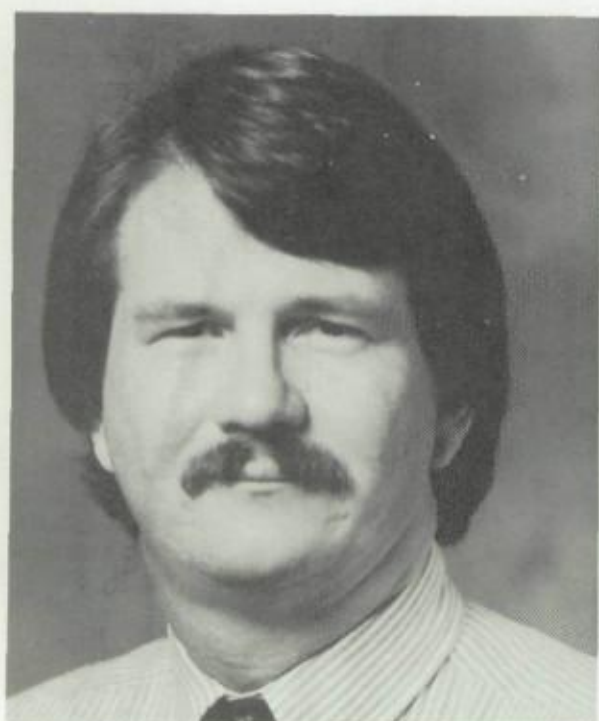

CHS faculty had a big problem. Putting up with spirited students! The teachers on the following pages are those few dedicated people, who put up with us on the cold rainy days, bad moods, pep rallies, spirit week, and lastly finals.

So many stand out in our minds of the past years that we've put them all in a special place, such as they are special. We've put them here in the faculty section.

She was the one who was always there thick or thin. The lady who you could count on to laugh or cry with. The spirit which was in her, you don't find in many. Her willingness to help her Drill Team and Flag Units represented a unique quality. Early in the morning you could find her collecting cans to raise money for trips. Especially for the Hawaii trip. The one trip she wanted her girls to go to and show that they were #1. Well Ms. Kornder is gone now. Her girls went to Hawaii and showed Hawaii for Ms. Kornder that they were #1. Her memory will always be with us. Something we'll keep with us forever.

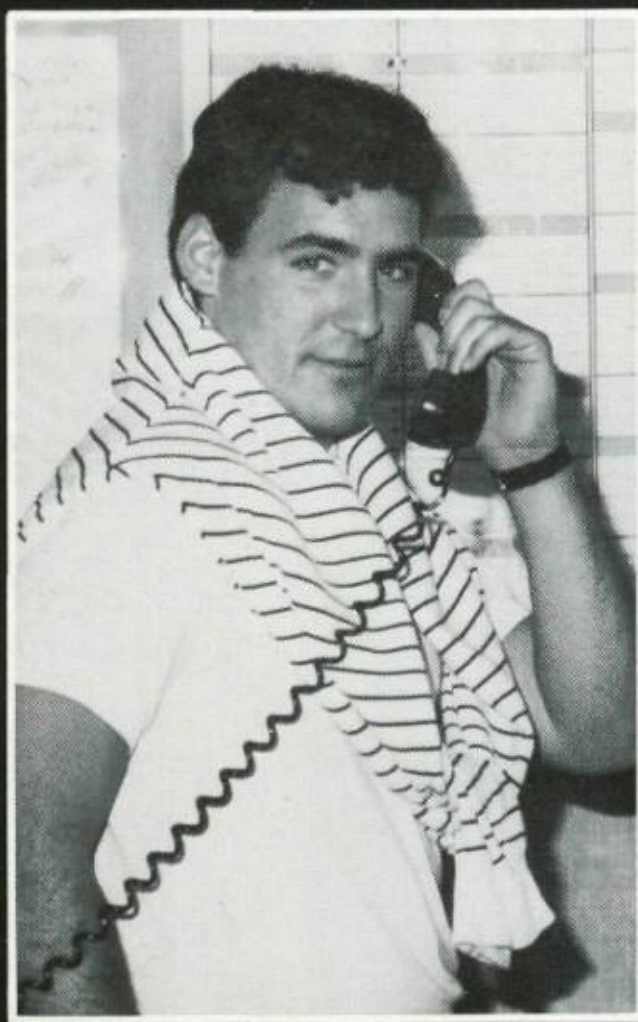

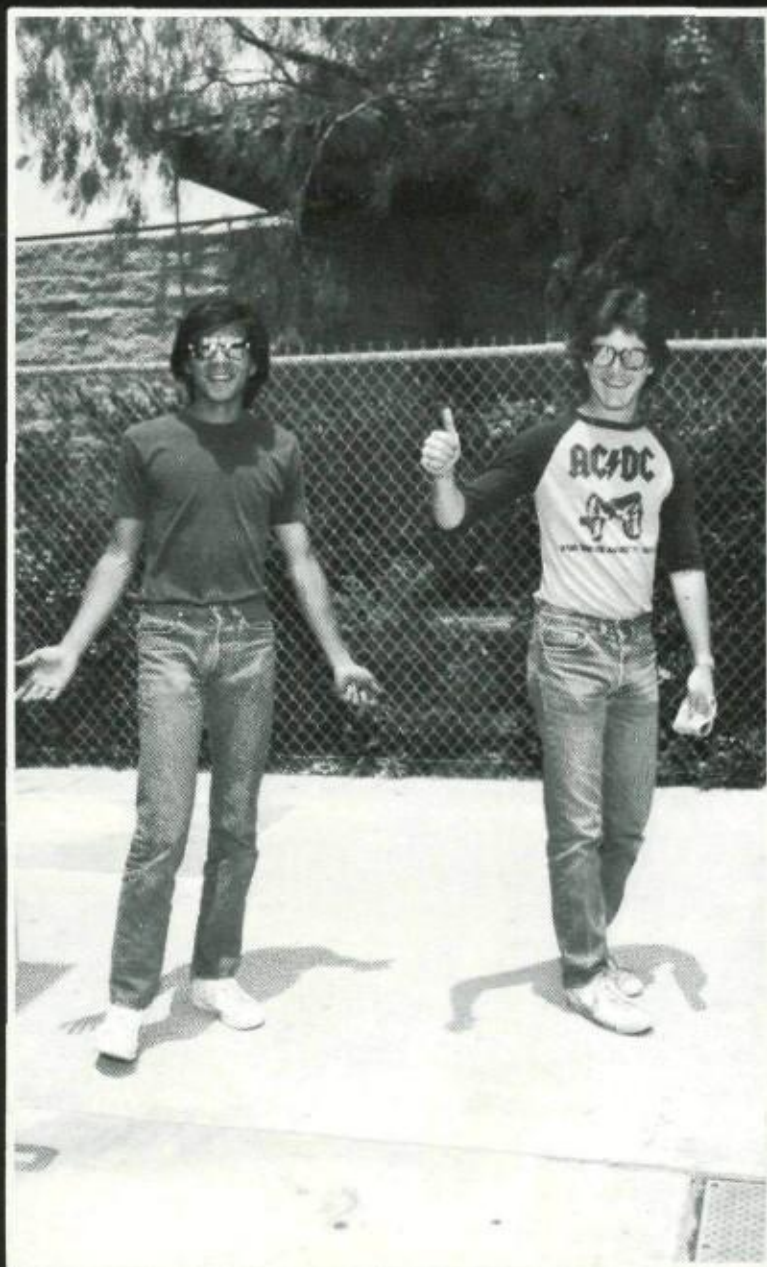

The 1982-83 Annual Staff

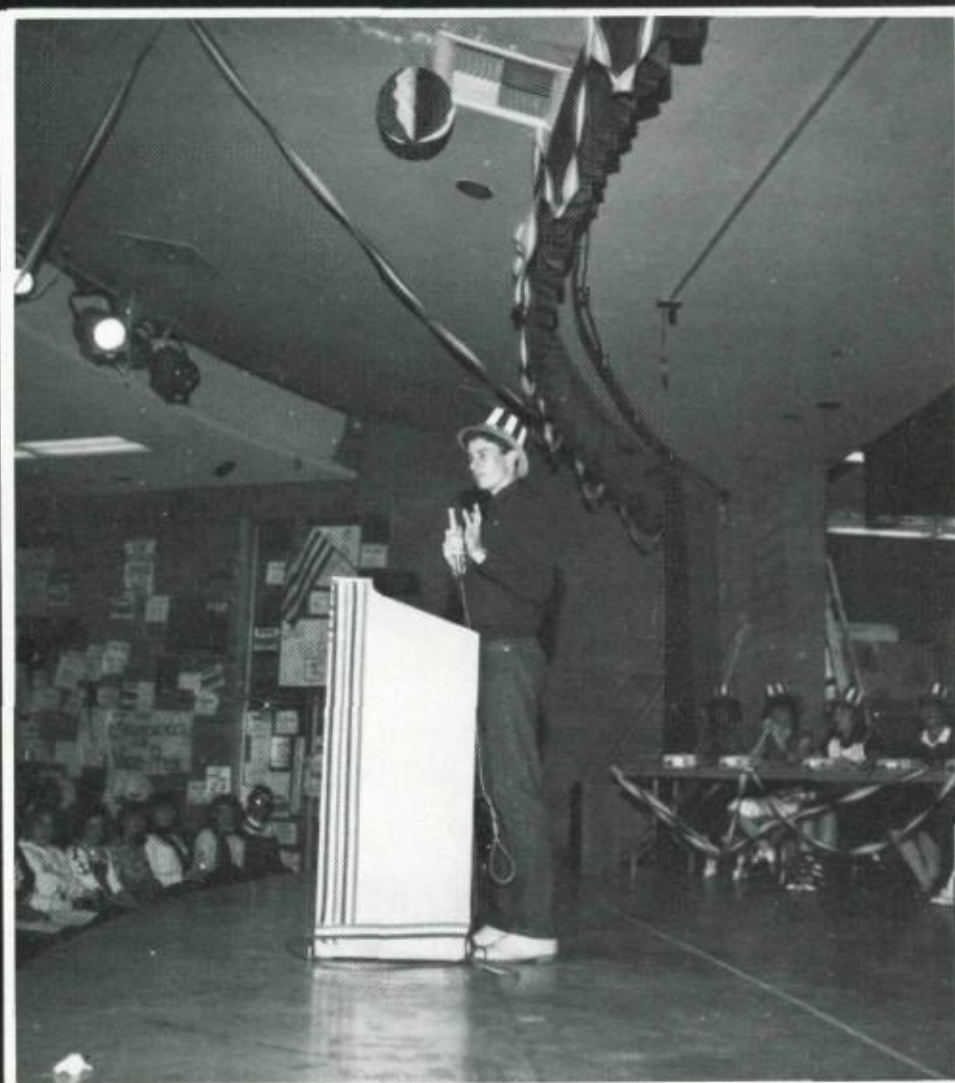

Well it's finally over! I never realized how much work goes into making a yearbook until I became editor. The frustration and the craziness was well worth it.

I would like to thank the faculty for their support and the people whose picture appears on the cover. I know it took a lot of time getting the picture together and I thank you for putting up with me. And to Mr. A., I would like to give a special thanks for all you did. You were always there when I needed you.

Well I hope this yearbook will hold some very special memories in each heart.

To all the Seniors, This book's for you!
